Re: *United States v. Jeremy Williams, et al.*, 22 Cr. 641 (PMH)

Dear Judge Halpern:

In light of the ongoing production and review of discovery, the Government respectfully requests, with the consent of all defendants, that the Court (1) adjourn for approximately 60 days the status conference currently scheduled for October 27, 2023, and (2) exclude time under the Speedy Trial Act until the date of the rescheduled status conference. Such an exclusion would be in the interest of justice to allow the parties time to continue producing and reviewing discovery, contemplating any motions, and discussing possible pre-trial dispositions. *See* 18 U.S.C. § 3161(h)(7)(A).

Respectfully submitted,

Application granted. The status conference scheduled for 10/27/2023 is adjourned to 1/17/2024 at 9:30 a.m. The Government's application to exclude time under the Speedy Trial Act, made with the consent of all defendants, is granted; and it is hereby ORDERED that the time between 10/27/2023 and 1/17/2024 be excluded from the computation of the time period within which trial of the charges against the defendants must commence, pursuant to 18 U.S.C. 3161(h)(7)(A). The Court finds that this exclusion of time serves the ends of justice and outweighs the interest of the public and the defendants in a speedy trial

SO ORDERED.

Philip M. Halpern
United States District Judge
